PROFESSIONAL SUMMARY

Django Backend Developer with hands-on experience in Python, Django, and full-stack web development. Enthusiastic about designing efficient, scalable, and AI-enabled software solutions. Actively seeking opportunities to grow and contribute in a dynamic development environment.

TECHNICAL SKILLS

Programming Languages: C, Python | Framework: Django | Frontend (Basic): HTML, CSS, JavaScript
Databases: MySQL | Tools: Git, GitHub, Ollama | Backend Concepts: Django REST Framework (DRF), REST API Development, ORM (Object Relational Mapping), Authentication, Session Management, CRUD, Database Design, Architecture, API Integration.

PROJECT WORK

AI Chatbot Web Application

- Built a full-stack AI chatbot application with **Django-based request handling** and dynamic frontend using **HTML, CSS, and jQuery**.
- Integrated **local LLM inference** by integrating the **Mistral model via Ollama**, eliminating dependency on external APIs. Improved UI/UX with **responsive layouts, dark/light mode toggle**, and animated typing effects.

Technologies Used: Python, Django, JavaScript, HTML, CSS, Ollama, Mistral

EPS – Express Physical Shopping (E-Commerce Slot Booking - Team Project)

- Developed in a team to create an e-commerce platform for booking slots for physical shopping.
- Added a smart system that suggests the best slots based on past bookings to avoid rush hours.
- Built backend logic and database schemas using Django ORM and MySQL to handle slot booking workflows and data consistency.

Technologies Used: Django, HTML, CSS, JavaScript, MySQL.

EXPERIENCE

Python/Django Developer (Internship Duration 6 Months)

Creart Solutions | Ahmedabad | Aug 2023 – Feb 2024

- Integrated backend features using Django and MySQL, including REST APIs, authentication, session management, and database models following MTV architecture.
- Designed and implemented frontend features while ensuring seamless integration with backend services.

EDUCATION

Master of Computer Applications (MCA),

CGPA – 7.00

L J University (NAAC B++) 2025- Present

Bachelor of Computer Applications (BCA),

CGPA – 6.92

Gujarat University 2021- 2024
